

Saddle Log Program

This program is for any Appaloosa Owner of a registered Appaloosa, who is a member of the AAA Ltd. If you enjoy riding your Appaloosa in any event from Exercising to Endurance, you can achieve rewards for your time spent in the saddle.

Your hours are calculated on the rider, so you can ride as many horses as you like, just so long as they are Registered Appaloosas. The horses you ride can be owned by anyone, so long as they are a member of the AAA Ltd.

To become involved in this great program, you will need to complete Official recording forms, which are available by either contacting our Office or downloading them from our website.

There are some regulations:

 - c. 500 hours

7. The rider must log their own hours and awards on the form attached. Please send within 30 days of your activity.

**Hours/Awards may change without notice.
